Jack Frost

The Hit Holiday Musical

For Pre-K
through 3rd Grade

Live Snow on Stage! Sing-A-Longs!

From the writers of *Elves and the Shoemaker*, *Peter Rabbit* & *Pinocchio*

Jack is back! This fun, fast paced, multi-cultural musical has been requested by teachers from Bridgeport to Stamford ever since our sellout production in 2016!

It's the story of four best friends from Brooklyn as the snow stops falling and Jack Frost arrives to save the day! Despite mean Mrs. Frederica Flambe, former owner of the triple Scoop Café and her unfriendly resistance, Jack Frost and friends are determined to make it snow again! Join us in this "back by popular demand" musical where audiences will also learn a little about the holiday traditions of **Christmas, Hanukkah, Kwanzaa, and Ramadan**. Filled with music and sing-a-longs, *Jack Frost* is not only an exciting musical adventure, but also a wonderful introduction for children to some perhaps, less familiar holiday celebrations. This delightful new show, packed with interactive holiday cheer is the perfect seasonal field trip for PreK through 3rd grades!
